### VIRGINIA BEACH ZIPLINING: *DON'T FORGET TO LOOK UP!*

Tucked behind the KOA Campgrounds in Virginia Beach, Adventureworks Zipline Park is perfectly located to offer a unique and thrilling experience. As you soar through the air, you are also sharing the skies with the Naval Air Station, the U.S. Navy's only East Coast Master Jet base!

Home of the F/A-18 Super Hornet Squadrons, pilots stationed at NAS Oceana fly approximately 219,000 operations a year. That's a lot of flying! On any given tour, you might hear the roar of a fighter jet practicing and taking flight overhead.

**THIS MEMORIAL DAY, WE'RE HONORING THE HEROES WHO MADE OUR ADVENTURES POSSIBLE. FROM ALL OF US AT ADVENTUREWORKS – THANK YOU.**
